

Sermon Title: Change the Station

Date: Sunday, May 07, 2017
 Speaker: Pastor J. L. Radford III

Background Scripture: Daniel 3:15-18 (KJV) /

Jumpstart and Review:

- *The problem is that many of us are forfeiting the Word of God for a sound.
- *A Frequency is the address of a particular radio bandwidth.
 - Radio waves are all around us all the time invisible to the naked eye.
- *Conversely, all kinds of spirits are around us all the time invisible to the naked eye.
- *Our spirits act as receivers that lock onto the strongest signal being transmitted. That's how we're able to take on the characteristics of people just by being around them.

SO HOW DO WE CHANGE THE STATION?

- 1. FORSAKE THE OLD**
- 2. FILTER THE FATAL**
- 3. FOCUS ON WHAT FUELS YOU**

*Some of us are so eager to be out or be done with the issue that we're often willing to give up more than we should have, but living w/ a FAITH FILTER won't allow us to just be satisfied that we got out.

QFC (Questions For Consideration)

1. Why do you think the "sound" of trouble so often causes many of us to forfeit the Word of God we know?

2. Has your faith ever put you in the minority? If so, how did you respond?
